NOTICE OF THE ANNUAL GENERAL MEETING**

1. INTRODUCTION

LETTER FROM THE BOARD

2. GENERAL MANDATE TO ISSUE SHARES

In order to ensure flexibility and discretion to the Directors, in the event that it becomes desirable to issue any Share, approval is to be sought from the Shareholders, pursuant to the Listing Rules, for a general mandate to issue Shares. At the AGM, a special resolution will be proposed to grant a general mandate to the Board to exercise the powers of the Company to allot, issue and otherwise deal with new Shares (including sale or transfer of treasury shares out of treasury (if any)) in the share capital of the Company up to 20% of the aggregate number of issued Shares (excluding treasury shares) as of the date on which the proposed special resolution in relation to such general mandate (the “**Share Issue Mandate**”) is considered and approved at the AGM.

As at the Latest Practicable Date, the issued share capital of the Company comprised 8,244,508,144 Shares, including 5,414,831,344 Domestic Shares and 2,829,676,800 H Shares. Subject to the passing of the special resolution in relation to the Share Issue Mandate and on the basis that no further Shares are issued before the AGM, the Company will be allowed to issue a maximum of 1,648,901,628 Shares.

Validity of the Share Issue Mandate

The Share Issue Mandate shall be effective from the date of approving by the AGM until whichever is the earlier of:

- (1) the conclusion of the next annual general meeting of the Company ; or
- (2) the revocation or variation of the authority under this resolution by passing of a special resolution of the Company at any general meeting.

The Board will only exercise its power under the Share Issue Mandate in accordance with the Listing Rules, and the applicable laws, rules and regulations of government and regulatory bodies of the PRC.

3. GENERAL MANDATE TO REPURCHASE H SHARES

To promote the sustainable operation and development of the Company, protect the long-term interests of investors and maximize the Shareholders’ value, the Company intends to repurchase H Shares in accordance with the requirements of the relevant laws, regulatory requirements and the Articles of Association, taking into account the current operating conditions, financial position and future development prospects of the Company. A special resolution will be proposed by the Company at the AGM for consideration and approval to grant full authorization to the Board or its approved person(s) or delegate to handle relevant matters of repurchase of H Shares within the framework and principles as considered by the AGM (the “**Repurchase Mandate**”):

LETTER FROM THE BOARD

- (1) a conditional general mandate to the Board, during the Relevant Period (as defined hereinafter), subject to the fluctuation and changes of the capital market and the share price of the Company, to repurchase the H Shares in issue of the Company at its discretion and in a timely manner, in accordance with the applicable laws, regulations and rules and the Articles of Association;
- (2) the total amount of H Shares repurchased by the Company shall not exceed 10% of the aggregate number of issued H Shares (excluding treasury shares) on the date of passing the special resolution. As at the Latest Practicable Date, the issued share capital of the Company comprised 8,244,508,144 Shares, including 5,414,831,344 Domestic Shares and 2,829,676,800 H Shares. If the special resolution on the proposed grant of the Repurchase Mandate is approved, and the Company will not allot, issue or repurchase H Shares on or before the date of convening the AGM, the Company will be entitled to repurchase not more than 282,967,680 H Shares pursuant to the Repurchase Mandate. The funds of repurchase include internal funds and funds which fulfill the requirements of regulatory policies and regulations;
- (3) to formulate, approve and implement specific repurchase plans, including but not limited to the price, batch, amount and time of execution of the repurchase of H Shares, opening overseas stock account and handling foreign exchange registration, notifying the creditors of the Company and publishing announcements in accordance with the provisions of the Company Law and the Articles of Association (if applicable);
- (4) to obtain the required approval or fulfill the filing procedures in accordance with applicable laws, regulations and requirements (if applicable);
- (5) if there are new provisions in laws and regulations, or new policies by regulatory authorities, or changes in market conditions in relation to the repurchase of H Shares, unless the relevant laws and regulations or requirements of the regulatory authorities or the Articles of Association require for re-vote at the general meeting(s), the Board may adjust the repurchase plan and continue to deal with relevant matters of the repurchase of H Shares in accordance with relevant laws and regulations and the requirements of regulatory authorities as well as the market conditions and the actual situation of the Company;
- (6) if applicable, to handle the deregistration procedures for the repurchased H Shares, decrease the registered capital, amend the Articles of Association regarding the share capital, shareholding structure and others and complete the registration and filing procedures; and
- (7) to sign other documents and handle other matters in relation to the repurchase of H Shares.

LETTER FROM THE BOARD

Validity of the Repurchase Mandate

The Repurchase Mandate shall be effective from the date of approving by the AGM until whichever is the earlier of:

- (1) the conclusion of the next annual general meeting of the Company; or
- (2) the revocation or variation of the authority under this resolution by passing of a special resolution of the Company at any general meeting (the “**Relevant Period**”).

Impact of the Repurchase of H Shares

The full execution of the Repurchase Mandate during the Relevant Period and any time as permitted by laws and regulations may have adverse impact on the working capital or gearing levels of the Company. However, if the Board considers the execution of the Repurchase Mandate will have a material adverse impact on the working capital or gearing levels of the Company, the Board will not exercise the Repurchase Mandate under such circumstances. After considering the prevailing market conditions, the Board will determine the amount of H Shares to be repurchased, the price and other terms of the repurchase of H Shares to the extent that is in the best interests of the Company.

The repurchase of H Shares does not involve connected transaction or obligation to make a mandatory offer under the Takeovers Code.

The price, batch, amount and time of execution of the repurchase of H Shares are to be determined and are subject to uncertainties. The Company will strictly follow the Listing Rules and relevant laws and regulations to carry out the plan for repurchase of H Shares and fulfill information disclosure obligations in a timely manner.

The Listing Rules require the provision of necessary information relevant to the proposed repurchase of Shares to the Shareholders for their consideration, so that the Shareholders will be able to make informed decisions on the relevant resolutions on repurchase of Shares at the AGM, and the explanatory statement containing such information is set out in Appendix I to this circular.

4. GENERAL MANDATE TO ISSUE DEBT FINANCING INSTRUMENTS

A special resolution will be proposed at the AGM to consider and approve to generally and unconditionally authorize the Board (or Director(s) delegated by the Board), subject to the outstanding balance of issued bonds not exceeding 30% of the latest audited total assets of the Company and in light of the demand of business operation and capital expenditures, as well as the market conditions, to determine the specific provisions and related matters regarding the issuance of debt financing instruments such as inbound ultra short-term financing bonds, short-term financing bonds, mid-term notes, corporate bonds, ABS, ABN, ABCP, offshore bonds, etc., including but not limited to the determination as to issue type, size, interest rate, duration, purchaser, use of proceeds subject to the aforesaid limits as well as all necessary documents to be made, executed or disclosed (the “**Debt Financing Instruments Issue Mandate**”).

LETTER FROM THE BOARD

The Debt Financing Instruments Issue Mandate shall be effective from the date of approving by the AGM until whichever is the earlier of:

- (1) the conclusion of the next annual general meeting of the Company; or
- (2) the revocation or variation of the authority under this resolution by passing of a special resolution of the Company at any general meeting.

5. PROPOSED RE-APPOINTMENT OF INTERNATIONAL AUDITOR

The Board proposed to re-appoint KPMG as the international auditor of the Company for the year 2026, to hold office until the conclusion of the next annual general meeting of the Company and its audit fee is approximately RMB3.18 million. The audit fee has taken into account a number of factors, including the scale and structure of the Group, the nature and complexity of the Group's business, the expected scope and timeline of the audit, as well as the time, manpower, and resources required from KPMG.

6. PROPOSED CHANGE OF DOMESTIC AUDITOR

Reference is made to the announcement of the Company dated 19 May 2026 in relation to the proposed change of domestic auditor. Baker Tilly International Certified Public Accountants (Special General Partnership) ("**Baker Tilly**") will retire as the domestic auditor of the Company due to the expiry of contract upon the expiration of its current term, with effect upon the conclusion of the AGM.

In order to comply with the state-owned enterprise supervision requirements and applicable accounting standards, the Company put out an invitation to tender for audit services, and Grant Thornton Certified Public Accountants (Special General Partnership) ("**Grant Thornton**") won the tender. Based on the tendering results and upon the recommendation of the Audit Committee, the Board has resolved to propose the appointment of Grant Thornton as the domestic auditor of the Company for the year 2026, with its term of office commencing from the conclusion of the AGM until the conclusion of the next annual general meeting of the Company and its audit fee is approximately RMB2.52 million. The audit fee has taken into account a number of factors, including the scale and structure of the Group, the nature and complexity of the Group's business, the expected scope and timetable of the audit, as well as the time, manpower, and resources required from Grant Thornton. The Audit Committee has considered a number of factors in assessing the proposed appointment of Grant Thornton, including but not limited to its qualifications and experience in handling audit work for listed companies, and the "Guidelines for Effective Audit Committees — Selection, Appointment and Reappointment of Auditors" issued by the Hong Kong Accounting and Financial Reporting Council in December 2021, and is of the view that Grant Thornton is independent, competent and capable to act as the domestic auditor of the Company. The above resolution is subject to Shareholders' approval.

The international auditor of the Company, KPMG, remains unchanged.

LETTER FROM THE BOARD

Baker Tilly has confirmed that there are no matters in relation to the change of domestic auditor of the Company which should be brought to the attention of the Shareholders. The Board and the Audit Committee are not aware of any matters in relation to the change of domestic auditor of the Company that need to be brought to the attention of the Shareholders. The Board and the Audit Committee have also confirmed that there is no disagreement or unresolved matters between Baker Tilly and the Company.

7. THE AGM

The notice convening the AGM to be held at 10:00 a.m. on Thursday, 25 June 2026 at Meeting Room 802, 8th Floor, No. 6 Xibahe Road, Chaoyang District, Beijing, the PRC, is set out on pages 12 to 18 of this circular. A proxy form for use at the AGM has been enclosed with this circular and was also published on the website of the Hong Kong Stock Exchange (<https://www.hkexnews.hk>) and the website of the Company (<https://www.jncec.com>).

Holders of H Shares whose names appear on the register of members of the Company on Thursday, 25 June 2026 are entitled to attend the AGM and vote at the meeting. The share register for H Shares will be closed from Monday, 22 June 2026 to Thursday, 25 June 2026 (both days inclusive), during which period no share transfer of H Shares will be registered.

Whether or not you are able to attend the AGM, you are requested to complete and return the proxy form in accordance with the instructions printed thereon not less than 24 hours before the time appointed for holding the AGM or any adjournment thereof (as the case may be). Completion and return of the proxy form will not preclude you from attending the AGM and voting in person if you so wish.

8. VOTES TO BE TAKEN BY POLL

The resolutions to be proposed at the AGM will be voted by poll. No Shareholder is required to abstain from voting in respect of the resolutions proposed at the AGM.

9. RECOMMENDATION

The Directors believe that the proposed resolutions in respect of, among other things, the Share Issue Mandate, the Repurchase Mandate, the Debt Financing Instruments Issue Mandate, the proposed re-appointment of international auditor and the proposed change of domestic auditor are in the interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend that Shareholders vote in favour of the relevant resolutions set out in the notice of the AGM.

By Order of the Board
Beijing Jingneng Clean Energy Co., Limited
CHEN Dayu
Chairman

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide the requisite information to enable the Shareholders to make an informed decision on whether to vote for or against the special resolution to approve the Repurchase Mandate.

CLASS AND NUMBER OF SHARES PROPOSED TO BE REPURCHASED

As at the Latest Practicable Date, the issued share capital of the Company was 8,244,508,144 Shares, including 5,414,831,344 Domestic Shares and 2,829,676,800 H Shares. If the special resolution on the proposed grant of the Repurchase Mandate is approved, and the Company will not allot, issue or repurchase H Shares on or before the date of convening the AGM, the Company will be entitled to repurchase not more than 282,967,680 H Shares pursuant to the Repurchase Mandate, representing 10% of the total number of H Shares in issue (excluding treasury shares) of the Company as at the date of passing the relevant resolution.

REASONS FOR REPURCHASE

The Board believes that the Repurchase Mandate is conducive to promote the sustainable operation and development of the Company, protect the long-term interests of investors and maximize the Shareholders' value. Based on the prevailing market conditions and funding arrangement, the exercise of the Repurchase Mandate may increase the net asset value per share and/or earnings per share. The Repurchase Mandate will be exercised only when the Directors consider that repurchase is beneficial to the Company and the Shareholders.

FUNDS FOR REPURCHASE

In repurchasing H Shares, the Company intends to use its internal funds lawfully available for such purpose in accordance with the Articles of Association, the Listing Rules, the Company Law and other applicable PRC laws, rules and regulations, and other funds that fulfil the requirements of regulatory policies and regulations for repurchase of shares.

Considering the current working capital conditions of the Company, the Board believes that an exercise of the Repurchase Mandate in full will not cause material adverse impact on the working capital and/or gearing levels of the Company (as compared to the financial position as at 31 December 2025 as disclosed in the audited financial statements of the Company in the annual report for the year ended 31 December 2025). However, if the Board believes that the exercise of the Repurchase Mandate will have material adverse impact on the working capital requirements or gearing levels of the Company, the Board tends not to repurchase the H Shares by exercising the power conferred under the Repurchase Mandate. The Board will consider the prevailing market conditions at an appropriate timing to make decisions on the number of H Shares to be repurchased, the price and other terms to repurchase H Shares, in the best interest of the Company.

DISCLOSURE OF INTEREST

To the best knowledge of the Directors, having made all reasonable enquiries, none of the Directors or their close associates (as defined in the Listing Rules), has any present intention to sell to the Company any H Shares if the Repurchase Mandate is approved by the AGM.

As at the Latest Practicable Date, none of the core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell any H Shares to the Company, or has undertaken not to do so in the event that the Repurchase Mandate is approved by the AGM.

UNDERTAKING OF THE DIRECTORS

The Directors will exercise the powers of the Company to repurchase H Shares pursuant to the Repurchase Mandate in compliance with the Listing Rules, the Articles of Association, the applicable laws, rules and regulations of the PRC, and in accordance with the special resolution set out in the notice of the AGM.

The Directors have confirmed that neither this explanatory statement nor the proposed share repurchase has unusual features.

EFFECT OF THE TAKEOVERS CODE

If a Shareholder's proportionate interest in the voting rights of the Company increases as a result of the Directors exercising the power of the Company to repurchase H Shares pursuant to the Repurchase Mandate, such an increase will be treated as an acquisition of the voting rights pursuant to Rule 32 of the Takeovers Code. If such an increase results in the change in control, it could, under certain circumstances, result in the recommendation for a mandatory acquisition in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Beijing Energy Holding Co., Ltd. (北京能源集團有限責任公司) ("BEH") is the controlling Shareholder of the Company directly and indirectly holding approximately 68.68% interests in the issued share capital of the Company. BEH was wholly-owned by Beijing State-owned Capital Operation Management Co., Ltd. (北京國有資本運營管理有限公司) which was established and wholly-owned by State-owned Assets Supervision and Administration Commission of the People's Government of Beijing Municipality (北京市人民政府國有資產監督管理委員會). The Company expects that the exercise of the Repurchase Mandate in full will not have any implications for BEH under the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, the Directors are not aware of any consequence which may arise under the Takeovers Code and any similarly applicable laws as a consequence of any repurchase of H Shares under the Repurchase Mandate. Moreover, the Directors will not make share repurchase on the Hong Kong Stock Exchange if such repurchase would result in the requirements under Rule 8.08 of the Listing Rules not being complied with.

SECURITIES REPURCHASED BY THE COMPANY

No repurchase of any H Shares has been made by the Company during the six months immediately preceding the Latest Practicable Date.

DISPOSAL FOR H SHARES REPURCHASED

The Company may cancel these repurchased H Shares or hold them as treasury shares in accordance with the market conditions at the time of repurchase and the capital management needs of the Group.

PRICES OF H SHARES

The highest and lowest trading prices at which the H Shares have been traded on the Hong Kong Stock Exchange in each month over the last 12 months prior to the Latest Practicable Date are as follows:
